

# BIRICHINO PINOT NOIR

## SAINT GEORGES, CENTRAL COAST

Slake your thirst for small berry pinot with this properly scaled Central Coast wine. Intensely flavored, with lush aromas of vivid sweet cherry liqueur and plum blossom.

Fermented with native yeast, and aged in old French barrels. Generous, delicious, yet with elegance and balance that will not induce fire-breathing nor taste of large-timbered fortifications, though -perhaps- of elderberries. *Unfiltered.*
