

BIRICHINO ZINFANDEL

SAINT GEORGES, OLD VINES, CENTRAL COAST

No need for **fire-retardant stemware** for this properly-scaled, juicy, **92 year-old** ungrafted vine Zinfandel.

Planted by a bootlegger at the foot of the Santa Cruz Mountains, it's been farmed lovingly for 90 years by 3 generations of the Besson family.

Fermented with native yeast, aged in old French & Minnesotan barrels coopered by Lutherans. *Unfiltered.*
